Restor-A-Finish®

- Restores color and luster to faded finishes
- Eliminates white heat rings and water marks
- Blends out scratches and blemishes
- Will not dissolve existing finish
- Available in nine colors!

"Restore It - Don't Strip It!"

With a simple wipe-on, wipe-off process, most finished wood surfaces that seem to need a complete refinishing job can be restored in a few minutes. White heat rings and water marks, sun fade, oxidation, smoke damage, and most other blemishes can be quickly blended away. Before you go to the extreme of stripping it, try restoring it!

Restor-A-Finish Color Chart

Choose the color that best matches the finish of your wood.

NEUTRAL: For all light wood tones

MAPLE-PINE: For all light brown wood tones

GOLDEN OAK: For all golden brown wood tones

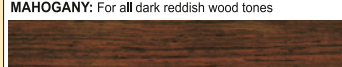

CHERRY: For all light reddish wood tones

WALNUT: For all medium brown wood tones

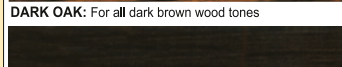

MAHOGANY: For all dark reddish wood tones

DARK WALNUT: For all medium dark wood tones

DARK OAK: For all dark brown wood tones

EBONY BROWN: For all black brown wood tones

How Does It Work?

Restor-A-Finish is a unique finish-penetrating formula that contains a small amount of stain combined with just the right amount of solvent and restoring oils, giving it the ability to permanently restore the existing finish without removing, softening, or stripping it. Restor-A-Finish helps faded lacquer, shellac, varnish, polyurethane, and most other wood finishes by bringing back the original color and luster. It restores the depth of grain, going much deeper than temporary "scratch cover" products. Restor-A-Finish penetrates and permanently restores most wood finishes without removing any of the existing finish. Restor-A-Finish maintains the original "patina" of an antique finish, maintaining its character and value as an antique.

Fully read directions and cautions on product label before using. More product information and product Safety Data Sheets available at www.HowardProducts.com

Feed-N-Wax®

- Enhances the natural beauty and depth of grain in finished and unfinished wood
- Prevents drying and deterioration of all wood finishes
- Polishes all wood surfaces to a soft luster with a protective coating of carnauba wax and beeswax
- Use Feed-N-Wax after Restor-A-Finish to maintain the restored finish
- For use on antiques, dining tables, kitchen cabinets, wood doors, trim, etc.

Wood Polish & Conditioner

Feed-N-Wax is ideal for enhancing the natural depth of grain while providing added protection and luster to furniture, antiques, and cabinets. Feed-N-Wax helps introduce conditioning oils that "feed" the wood while providing a protective coating of beeswax and carnauba wax. Feed-N-Wax can be used on finished or unfinished wood to help preserve and keep the wood from drying out, fading, or even cracking. Feed-N-Wax should be used whenever the piece looks faded or dry.

Enhance The Natural Beauty

Our original blend of beeswax, carnauba wax, mineral oil, orange oil, and other ingredients is the perfect product to enhance the natural beauty and depth of grain in all woods, finished and unfinished. Feed-N-Wax was developed as the perfect follow-up to Restor-A-Finish for maintaining the newly restored finish. Contains no silicone or linseed oils. Not intended for food-prep surfaces. For food-prep surfaces use Howard's Butcher Block Conditioner, Cutting Board Oil, or Wax-It-All.

Wax-It-All® Food-Grade Wax

A food-grade paste wax that is safe for any surface where food contact may occur. This thick, smooth blend of beeswax, carnauba wax, and food grade mineral oil revives faded surfaces and helps protect wood from drying out and cracking.

- Safe for indoor and outdoor countertop surfaces
- Helps delay tarnishing and oxidation of bronze, copper, brass, and even wrought iron
- Gives finishes a soft sheen and a smooth feel
- Locks in the oils and waxes after using Howard's Cutting Board Oil or Butcher Block Conditioner

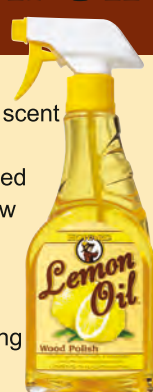

Use on: Wood, Stone, Metal, Concrete, Plastic, & More!

Orange Oil™/Lemon Oil™ Wood Polish

- Polishes all wood furniture to a nice shine with a pleasant fresh scent of oranges or lemons
- Conditions finished and unfinished wood surfaces to a beautiful glow
- Helps prevent drying and fading of all your wood furniture
- Easily removes surface dirt and dust without drying out or harming the wood

Use Howard Orange Oil and Lemon Oil on all wood surfaces including kitchen cabinets, tables, chairs, desks, paneling, even antiques. These oils will help keep your wood from drying out while restoring depth of grain and natural beauty to the wood. They are both easy to use and excellent for polishing, conditioning, and nourishing all wood surfaces.

Does not contain silicone oil or linseed oil
Not intended for food-prep surfaces

Cutting Board Oil

- Deeply penetrates into wood pores, bringing out the rich natural wood color and helps prevent drying and cracking of butcher blocks
- Made with pure USP Food-Grade Mineral Oil that is tasteless, odorless, and colorless
- Perfect for the initial "oiling" or "seasoning" of cutting boards and butcher blocks
- The mineral oil in this product exceeds U.S. FDA regulations for direct and indirect contact with food

Colorless, Odorless, & Tasteless!

Butcher Block Conditioner

- Brings out the wood grain and protects with a natural-looking satin wax finish
- Food-Grade wood conditioner that is ideal for conditioning and maintaining all wooden butcher blocks, cutting boards, wooden bowls, and utensils
- Helps repair knife marks and protect the wood by keeping the mineral oil in and the moisture out
- Revitalizing blend of food-grade mineral oil, beeswax, & carnauba wax

Food-Grade Protection!

Cutting Board Cleaner

- Cleans and neutralizes odors on well-used cutting surfaces
- Safe to use on surfaces that may come into contact with food
- For use on cutting boards, countertops, butcher blocks, and wooden utensils
- Safely clean any wood surface, leaving it with a fresh scent
- Great for cleaning and preparing wood surfaces before applying Cutting Board Oil, Butcher Block Conditioner, or Wax-It-All

Restor-A-Shine™ Polishing Compound

- Safely polish out and buff away fine scratches, oxidation, dullness, and haze on glossy wood finishes
- Developed for glossy polyurethane, lacquer, varnish, and shellac wood finishes
- Revive shine to dull areas, eliminate steel wool swirl marks
- Use as the final step in rubbing out a new high gloss wood finish to achieve a mirror like finish

With Micro Polishing Powders!

Clean-A-Finish™

- Cleans wood finishes before polishing, waxing, or restoring
- Great for deep cleaning neglected pieces of furniture that have years of buildup and stains
- Easily removes wax buildup from wood
- Clean fresh scent

Clean-A-Finish effectively cleans all wood surfaces using a traditional blend of gentle, yet powerful, soaps. It easily breaks down grease and grime on antiques, kitchen cabinets, and dining tables. Safe to use on painted surfaces, plastics, upholstery, and vinyl.

• Does not contain ammonia or bleach •

Upholstery Cleaner

- Cleans all types of upholstered furniture without using harsh chemicals
- Coconut oil derived cleaning power freshens up your upholstery, carpets, couches, chairs, rugs, and blankets
- Quickly removes stains, dirt, and odors
- Safe for use on cotton, linen, wool, nylon, polyester, and man-made fibers
- Clean fresh scent of Lemongrass-Lime essential oil and fragrance blend

Couches, Chairs, Rugs, Carpets & More!

Wood-N-Floors Hardwood Floor Cleaner

- Quickly removes dirt and grime from hardwood floors
- Great for hardwood floors, luxury vinyl planks (LVP), laminate and engineered floors
- This ready to use, water-based formula uses plant-derived surfactants to gently clean your hardwood floors
- Wood-N-Floors cleans to reveal the natural shine on hardwood flooring, cabinets, furniture, and more!
- Residue-Free, Streak-Free, & Dries Fast

Use on: Hardwood Floors, LVP, Laminate, Engineered Floors, & more!

Pine-Ola™ Silver Polish

- Quickly cleans and polishes all silver, silver plating, appliances, pewter and chrome fittings
- Special Pine-Ola blend slows tarnish and keeps silver bright
- Safely cleans and polishes without using acids or harsh abrasives

The choice of silversmiths since 1920

Pine-Ola™ Copper & Brass Polish

- Cleans and polishes all ornamental copper, brass, and bronze
- Special Pine-Ola blend delays tarnish for a longer lasting shine
- Easy wipe-on, buff-off application
- Safely cleans and polishes without using strong acids or harsh abrasives

Citrus-Shield™ Premium Paste Wax

- Conditions and enhances the natural beauty of the wood grain on finished and unfinished woods
- Buffs to a brilliant, long-lasting luster, providing superior protection for all your wood and wood finishes
- Contains Brazilian Carnauba wax (hardest natural wax available)
- May also be used on painted surfaces, concrete, marble, and metal
- Not intended for food-prep surfaces

Great follow-up to Restor-A-Finish & Restor-A-Shine!

SunShield™ Wood Conditioner

- Prevents further drying and fading of wood finishes due to sun exposure, temperature variations, and moisture both indoors and outdoors
- Enhances the natural beauty and depth of grain as it protects your wood furniture
- Unique formula combines **UV inhibitors** with a blend of carnauba wax, beeswax, and orange oil
- Conditions and protects any wood surface, especially teak and other tropical hardwoods
- Replenishes finished or unfinished dry wood surfaces on chairs, tables, benches, chests, desks, lounge chairs, etc.

UV Ray Protection!

Leather Cleaner

- Safely clean leather goods without damaging the leather or stitching
- Routine leather cleaning and conditioning will help your quality leather goods last a lifetime
- May also be used on vinyl and plastic
- Do not use on Suede, Nubuck, or Aniline

Gently removes dirt, grime, and most other stains from smooth leather. Use on leather furniture, automotive leather, luggage, shoes, and accessories. Ideal for cleaning and preparing leather surfaces before using Howard Leather Conditioner or Leather Salve.

Leather Conditioner

- Revives dried-out leather back to its soft, natural condition without becoming oily or sticky
- Unique blend of deep nourishing moisturizers and natural waxes helps keep leather looking and feeling like new
- Creamy lotion-like conditioner that penetrates, preserves, and protects smooth leather
- Helps leather resist cracking, scuffing, and dry rot

Penetrates & Protects!

Premium Leather Salve

- Deeply penetrates to revive old leather and helps protect new leather
- Premium formula reduces scratches and preserve leather
- Protects leather from future decay with beeswax and carnauba wax
- Rejuvenates leather surfaces using the finest refined oils including purified Lanolin, Neatsfoot, and Coconut Oil
- Easily restores dry leather back to its soft, natural condition

A little goes a long way!

Stainless Steel Cleaner & Polish

- Superior, streak-free formula easily removes fingerprints, streaks, grime, and grease
- Cleans residential and commercial stainless steel kitchen surfaces and appliances
- Perfect addition to your cleaning arsenal for housekeepers and homeowners
- High-quality formula makes cleaning stainless steel easy and convenient
- Works great on outdoor stainless steel grills and appliances

CHALK-TIQUE® Powder Additive

- Turns any latex or water-based paint into chalk-style paint
- Gives paint a thick, creamy texture that adheres to almost any surface
- Covers easily with minimal prep-work
- Mixes with any color paint, for unlimited possibilities
- Creates a contemporary low-sheen look, or can be easily distressed for an antique, shabby-chic finish

Use on wood, glass, ceramic, laminate, metal, fabric, etc.

CHALK-TIQUE® Light and Dark Paste Wax

- The perfect follow-up for chalk-style painted surfaces
- Use the dark wax to create shadow details and an antique look
- Use the light wax to seal & protect, leaving a soft luster and rich glow
- Prolongs the life of all chalk-style painted surfaces with carnauba wax and beeswax
